

On Point Ministries | Our Founders

Words From Our Founders....

Dear Partners,

It has been a most blessed and prosperous five years for On Point Ministries, Inc. I know it could not happen without the guidance of God's Holy Spirit through each of you. God gave us a vision five years ago and He is bringing it to pass through us, His willing servants. I just want to take this time to thank you for your help, love, and support through the joys and sorrows. One of the joys is the restoration of God's awesome grace and mercy upon my life.

Having Christ as our foundation we must continue to build up in Christ as we were from the beginning. The scripture that refers to this is so beautiful, it says, "As you therefore have received Christ Jesus the Lord, so walk in Him, having been firmly rooted and now being built up in Him and established in your faith, just as you were instructed, and overflowing with gratitude" (Col. 2:6-7).

That's how I would like to encourage you, as well as, myself to approach the up coming years together – overflowing with gratitude! Overflowing not only with what He has done, or is doing, but with what He is about to do!

Again I thank God for each of you and pray His blessing upon each of you in all that He directs you to do collectively as well as separately.

Grace and Peace to you,

Rev. Erik C. Jones

Dear Friends,

The Bible teaches in Proverbs 5:22, "Plans fail for lack of counsel, but with many advisors they succeed."

It has been 2002 since God has trusted On Point Ministries, Inc. with the care of ministry and so many lives. With God's trusted hand and your counsel and support we have been able to reach out, touch, and bless the least of these. To God be the glory.

I want to personally thank each of you who have been with us since its inception. I want to thank those of you who has partnered with us through the years. Our ministry has seen and experienced a lot, but with your prayers we have been able to stand through the test of times.

I would like to encourage you as you go through the many seasons of life, to keep your hand in God's unchanging hands. I am a testimony of God's grace and mercy. Many times I fell, many times I messed up, many times I gave up and quit. The road got tough, the change of seasons became overwhelming, but God stepped in, comforted me, ministered to me, restored my soul and helped me to exceed above all that I could ask or think. If He does it for me, He will do it for you. Hang in there, your season of restoration is here....I love you and I am here for you to help you to restore in the Name of Jesus to the point that you exceed above and beyond what you asked or could think.

Again, thank you for connecting to us.

In Christ,

Chaplain E. Jean Jones
